**Dear Driftwood Families:**

Welcome to the beginning of Driftwood's 2018 Camp Season. Our summer program begins on Monday, June 25th and ends on Friday, August 17th. **Enclosed are important papers that must be completed by March 1st. If your child(ren) is not registered for the full 8 weeks and you have not yet chosen or confirmed their weeks, please either call or email us to confirm as soon as possible. We are now preparing bus routes. If you are planning on moving or have moved since enrolling, you must notify our office by email ASAP.**

**\*\* Please return all forms by March 1, 2018 \*\***

- **HEALTH HISTORY (GREEN) FORM 2018:** This form is used by our nurses to contact parents. If you have a number you prefer to be reached at during the day, please indicate it on this form, and include area numbers. If any changes occur during the summer, please call the camp so we can update your information. **If your child has any allergies, it is important that you list them all on this form.** A parent's signature at the bottom of this form is required in order for it to be valid. **Please attach a copy of your child's Medical Insurance Card (front and back) when returning this form.**
- **MEDICAL EXAM (GOLD) FORM 2018:** Please have your physician fill out the Medical Exam Form (**including immunization dates**) and return to us before March 1st. The physician's generic form is acceptable for the physical exam. **PLEASE SUBMIT A COPY OF THEIR MOST RECENT PHYSICAL. DO NOT** wait for the upcoming 2018 physical exam! **It is a New York State law that no camper is permitted to begin camp without this form completed and signed by their physician.** If the doctor faxes directly to us, please call Driftwood to make sure the paperwork was received by our office. For your records, please make a copy of the completed form before mailing.
- **REQUEST FOR MEDICATION (BLUE) FORM:** Required if your child takes any medications (prescription or over-the-counter) during camp, late nights or overnights. **This form must be completed and signed by both you and your physician.** Our nurses are not allowed to dispense any medications without doctor's orders, even over-the-counter-medications. All medications brought to the health office **must** be in the original labeled container.
- **EPIPEN PROCEDURE:** If your child requires an EpiPen, please note that EpiPens are due in the Health Office by 6/18.
- **CAMPER PROFILE (PURPLE) FORM:** This is a brief bio about your child. It is reviewed by his/her Group Leader and our Medical Staff. This is a reference source to help us learn about your child's interests, likes, dislikes, previous camp experiences, fears, etc. This information is kept confidential. Should you have any concerns that you wish to discuss further with us, please give us a call at 631-692-6990.
- **EMERGENCY CONTACTS & MAY TAKE (WHITE) FORM:** This form must be completed for each camper. This completed form gives us permission to release your child to anyone other than your child's parent(s). In the event someone else will be picking up your child at camp or taking them off the bus, we must have this completed form on file. We will not be able to accept verbal authorization. Please list first and last names. Our Bus Drivers review these forms, so we do ask that you list all allergies on this form as well.

These forms **must** be returned to us by March 1st. Our medical staff needs ample time to review everyone's information. **We want to remind everyone that Driftwood (as well as our Buses) is a Peanut/Tree Nut Free Facility.** We look forward to a fun and safe 2018 summer for your children at Driftwood. Again, if you have any questions, please call us at 631-692-6990 or email us at [driftwooddaycamp@gmail.com](mailto:driftwooddaycamp@gmail.com).

Thank you,  
Your Driftwood Family
